

SECOND AMENDMENT TO OIL AND GAS LEASE

This Second Amendment to Oil and Gas Lease ("Second Amendment") is executed by I-20 Joint Venture, a Texas joint venture, acting by and through Ruby Lyle and Billie Farrar, its managing partners ("Lessor"), and Chesapeake Exploration, L.L.C., an Oklahoma limited liability company ("Lessee") (as successor by merger to Chesapeake Exploration Limited Partnership ("CELP")), to be effective as of December 2, 2008 (the "Amendment Date").

WHEREAS, Lessor and CELP previously executed that certain Oil and Gas Lease dated July 21, 2006 (the "Original Lease") covering the property described in Exhibit "A" attached to this Second Amendment (the "Lease Premises");

WHEREAS, Lessor and Lessee also executed that certain Amendment and Extension of Oil, Gas and Mineral Lease ("First Amendment") dated April 22, 2008, extending the primary term for one additional year (the Original Lease, as modified by the First Amendment, being referred to herein as the "Lease");

WHEREAS, it is contemplated that Lessee will purchase from Lessor the surface of an approximately 4.62 acre portion of the Lease Premises, as more particularly described on Exhibit "B" attached to this Second Amendment (the "Surface Tract");

WHEREAS, the portion of the Lease Premises not included within the Surface Tract are referred to herein as the "Remaining Tract";

WHEREAS, Lessor and Lessee have agreed to amend the Lease for the purpose of abandoning the use of two drill sites previously approved by Lessor pursuant to the Lease dated July 21, 2006, as provided in this Second Amendment;

WHEREAS, Lessor and Lessee have agreed to amend the Lease for the purpose of, among other things, amending all surface use restrictions in Section 12 and other Sections of the Lease which may have otherwise been applicable to the Surface Tract, all as provided in this Second Amendment; and

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained in this Second Amendment and in the Lease, and for other good and valuable consideration, which the parties acknowledge receiving, Lessor and Lessee agree as follows:

1. Lessor hereby represents and warrants to Lessee that Lessor is currently the sole owner and holder of the interest of lessor under the Lease. Lessee hereby represents and warrants to Lessor that it is currently the sole owner and holder of the interest of lessee under the Lease.

2. Lessor and Lessee have agreed that, from and after the Amendment Date, Lessee shall not use the following as drill sites or for any other surface use: those certain two (2) potential drill sites previously approved by Lessor pursuant to the Lease dated July 21, 2006;

provided, however, that this provision shall not prohibit, restrict or in any way affect the use of the Surface Tract as a drill site.

3. Section 12 of the Lease is hereby deleted in its entirety and replaced with the following:

“12. Surface Operations Applicable to the Remaining Tract.

a) Notwithstanding anything to the contrary, the restrictions and other provisions set forth in this Section 12 shall not affect or be applicable in any way to the Surface Tract or any of Lessee's or its affiliates' operations on the Surface Tract.

b) Lessee agrees to pay Lessor the reasonable value of any actual damages resulting to: (i) any portion of the surface of the Remaining Tract (but not the Surface Tract) and (ii) any fences, roads, tanks and other structures and improvements, livestock, trees, grass, and crops located on the Remaining Tract (but not the Surface Tract) caused by operations hereunder, and agrees to restore the surface of the Remaining Tract (but not the Surface Tract) to as near its original condition as may be reasonably done after the completion of each operation. No portion of the Remaining Tract may be used in conjunction with the drilling operation on the Surface Tract without the prior written consent of Lessor, which may be withheld for any reason. Any salt water produced from the drilling operations, if any, will be removed by Lessee from the Remaining Tract. Water from Lessor's creeks, tanks or wells located on the Remaining Tract may not be used by Lessee without express written consent of Lessor and appropriate authorities.

c) Lessor and Lessee agree that a plat showing access routes to and from locations and line routes has been previously approved by Lessor and Lessee.

d) Notwithstanding anything to the contrary, except for easements or other rights specifically granted by Lessor pursuant to separate written documents, Lessee shall have no right to use the surface of any portion of the Remaining Tract other than as shown on the Plat attached hereto as Exhibit "C" (the "Plat"), which Plat is hereby approved by Lessor and Lessee.”

4. The Lease is amended to add the following as a new Section 22 to the Lease:

“22. Surface Restrictions Applicable to the Surface Tract.

a) Notwithstanding anything to the contrary, the restrictions and other provisions set forth in this Section 22 shall affect and be applicable only to the Surface Tract and Lessee's operations on the Surface Tract.

b) While drilling operations are being conducted on the Surface Tract, Lessee shall fence the area of operations as required by the City of Arlington drilling ordinance and any other applicable governmental requirements. After completion of a well on the Surface Tract, Lessee shall fence all tank batteries, separators, and other surface equipment located on the Surface Tract and shall keep gates locked except when in use, all as required by the City of Arlington drilling ordinance and any other applicable governmental requirements. Lessee shall plant hedges or other landscaping on the Surface Tract as required by the City of Arlington drilling ordinance and any other applicable governmental requirements. Lessee shall keep all surface equipment in a good state of repair and painted as often as is necessary to maintain a good appearance. Lessee shall remove from the Surface Tract any materials, pipe, or equipment which are not being used and are not planned to be used. Lessee shall use only low profile pumping units on the Surface Tract. Lessee will bury all pipelines not less than 36 inches below the surface of the Surface Tract."

5. Notwithstanding anything to the contrary, except as specifically set forth above in the new Section 22 to the Lease, (i) Section 12 of the Lease shall not be applicable in any way to the Surface Tract, (ii) the Lease shall in no way restrict Lessee's use of the surface and subsurface of the Surface Tract, and (iii) Lessee shall not be obligated to pay Lessor any damages or other amounts in connection with the Surface Tract and Lessee's operations thereon, that might otherwise be payable pursuant to Section 12 of the Lease. Lessor also hereby grants, assigns and conveys to Lessee and its successors and assigns, a perpetual subsurface easement under and through the subsurface of the Lease Premises deeper than five hundred feet (500') below the surface for the placement of well bores (along routes selected by Lessee) from oil or gas wells the surface locations of which are situated on either the Surface Tract or tracts other than the Lease Premises for the purpose of developing oil, gas and other minerals in and under the Lease Premises and/or any other lands, regardless of whether or not such other lands are pooled with the Lease Premises. Such subsurface easement shall run with the Lease Premises, shall be binding on Lessor and Lessor's successors and assigns, and shall survive any termination or expiration of the Lease.

6. This Second Amendment may be executed by facsimile or otherwise in multiple counterparts, each of which will, for all purposes, be deemed an original, but which together will constitute one and the same instrument.

7. Notwithstanding anything herein to the contrary, except as otherwise specifically amended by this Second Amendment, the parties hereby ratify the Lease and agree that the Lease remains in full force and effect. Insofar as necessary, Lessor hereby leases, lets and demises to Lessee the Lease Premises pursuant to the terms of the Lease as amended by this Second Amendment.

8. All capitalized terms used in this Second Amendment which are not otherwise defined have the same definitions as set forth in the Lease.

9. Lessor and/or Lessee may record either a copy of this Second Amendment or a memorandum thereof in the real property records of Tarrant County, Texas.

IN WITNESS WHEREOF, the undersigned have executed this Second Amendment to be effective as of the Amendment Date.
